Pastor's Message

By Father David Fox

Dear Friends,

Until Ascension Day on June 5th, we say Christ is Risen! Krishti U Ngjall! I am thankful to all who worked hard to make our Holy Week and Pascha Services meaningful, beautiful and good. Year after year, we add layer to layer of our experience of the Heart of our Faith found in the experience of Holy Week and Pascha. This year I am especially thankful for Reader Nathan's gift of reading and the Board's decision to invest in Nathan's ministry, and for the wonderful Retreat offered by Deacon Nicholas and Charlene Garklavs and Reader Nathan for youth and for adults, which was held the week after Pascha, on St. Thomas Sunday. About 20 youth and adults attended, and were taught how to chant, to sing and to serve in an Orthodox worship service. Many thanks to Donna Oswald for organizing participation and food (Donna & I are planning another retreat for adults and youth to come to Covenant House on a Sunday after Liturgy). Many of the

participants signed up to read in the Liturgy, so we look forward to seeing new faces reading the Epistle. We will continue to build on this Retreat: after Sunday, June 1st, when the children will have Sunday School graduation, Reader Nathan will offer a one room school house for the children, who will continue to learn to chant, sing, serve and also be educated about the Christian Faith. I will meet with the children who come every other Sunday after Liturgy beginning June 8th, and will read passages from the

June is upon us again and our thoughts typically go to summer activities and vacations. At St. Nicholas Church, we greet June with Sunday School Graduation and our Annual Picnic.

As you can see on page 3, our Building Expansion Project is moving ahead. Fundraising is continuing and this month we are starting to reach out beyond the Parish to ask the friends of St. Nicholas in the Albanian Community to help us with our Project by making a donation. Of course, Parishioners who have not yet made a financial commitment should do so to support our Church. We expect to begin construction work in August.

Looking ahead, we will continue celebrating the Albanian Archdiocese Centennial in Boston with Church

Services, a Banquet and other activities during the weekend of September 27th–28th. A Souvenir of this 100th Year Celebration will be a video on DVD that includes a history of the Archdiocese, scenes in Albania and events leading up to the present. A preliminary version of the video will be shown in our Fellowship Hall during coffee hour on Sundays, June 8th, 22nd and 29th.

Finally, as described in the May issue of The Orthodox Post, Missionary work in Albania continues through efforts of the Orthodox Christian Mission Center (OCMC). Anastasia Pamela Barksdale is a missionary who just left the USA to work in Albania.

**To support her efforts in Albania, we will take up a
Special Collection as well as seek donations on
Sunday, June 1st.**

Daughters' Corner

By Linda Foundos

Well.....here comes summer again. The Daughters have been a little quiet lately although we did take care of all the Pashcha activities, flowers, pancake breakfast, memorials, etc. But just as with our own homes, there are always things that need attention but get ignored. We will soon begin our church expansion which will greatly improve and expand our facilities. We should look forward to this physical growth and make it a spiritual and congregational growth as well. We should have a vibrant and lively community. It can only be that if **WE** make it that!! And I believe we should pledge to do just that. For our community, especially our children in today's society, it is of the utmost importance that along with family, they have a strong, solid church foundation. It means so much in their development in this fast-changing world.

Someone suggested to me that we have Albanian dance lessons for the youth. What a great idea! This idea and so many others need YOU to make them happen. We have much to be proud of. As you enjoy your summer, think about starting anew in the fall. We will welcome your energy and ideas.

Congratulations to all the graduates. We wish you much success as you move on. Have a great summer. Please contact me if you have any news you'd like to share.

KENDI SHQIP (The Albanian Corner)

By A. Llupa

Qershor 2008

Kete muaj po japim nje pjese nga permbledhja "Mbi Ikonat" e Gaqo Bazes dhe nje pjese nga vjersha "Moisiu ne Mal" e Fan Nolit:

"Mbi Ikonat" Gaqo Baze

Ç'jane ikonat?

...Ikonat janë piktura të Krishtit, Shën Marisë, Shënjtoreve si dhe aspekte të ndryshme nga ngjarjet e marra nga "Shkrimi i Shenjtë", si "Darka mistike", "Pagëzimi i Jezujt" etj.

Ato janë bërë me bojra vaji ose jo, në dru ose tellaro. Mund të jenë mozaik, fildisht ose material tjetër; mundet të jenë murale (afreske). Nëpërmjet ikonës ne shprehim dashurinë, respektin e nderimin q'u bëhet atyre, por jo vetë ikonës. Kur besimtari përulet e puth ikonën, ai e kryen këtë veprim për nderimin ndaj atyre që janë paraqitur aty, por jo vetë ikonës si material e punim.

...Nëpërmjet ikonave ne mundemi të krijojmë një atmosferë shpirtërore ku ne mund të jetojmë një qetësi e shpresë shpirtërore. Lutja orthodoxe është një proces kompleks që përfshin njëkohësisht mendjen, trupin e shpirtin. Sa më shumë shqisa te marrin pjesë në një proces, aq më fuqishme është efekti. Duke u lutur me gojë, duke puthur ikonat, duke bërë me duart kryqin, duke parë ikonat ne komunikojme më thellë me Zotin.

...Një teolog pohon: "Ikonat janë libra të hapura që na kujtojnë Perëndinë. Ikonat janë një mjet për të na çelur shtigje, për të na lidhur e forcuar besimin". Çfarë tjetër është ikona? Veçse një "Ungjill me figura". Po ashtu duke hyrë në kishë, le të shikojmë me vërejtje ikonat, afresket dhe do të mësojmë shumë nga ngjarjet e Ungjillit.

"Moisiu ne Mal" botuar ne gazeten "Liria Kombetare" me 27 Janar 1930

...Kryeprofetit dita i ngryset
She shpirtkëputur përdhe përmbysset
Me lot në sy, me zemër të ngrirë
I lyp mëshirë.

Ja Nazareti, ja Bethlehemi,
Lum' i Jordanit, Jeruzalemi,
Mal' i Sionës, Bethsaidaja,
Dhe Golgothaja!

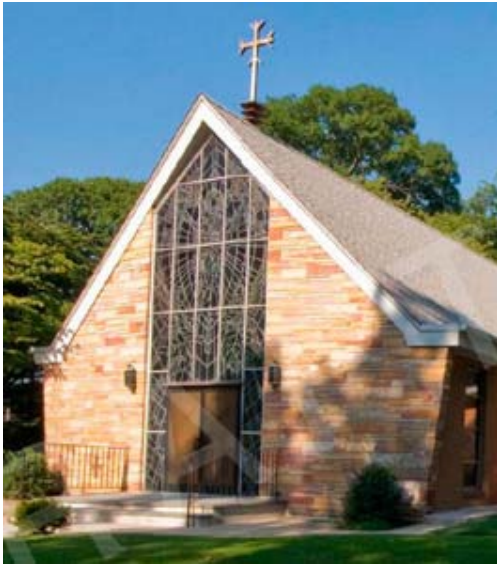

Pse kaqë gjatë, Zot, m'arratisë,
Pse më përplase, më përpëlise,
Pse shpresën dyzet vjet ma ushqeve,
Dhe sot ma preve?

Sheh gasn' e pritme për djalërinë
Dhe shkretëtirën për pleqërinë,
Atje sa bukur, këtu sa zi,
O Moisi!

"Nëm Dhen' e Lirë! Zot ku ma ke?"
"Shiko, i tha, dhe ja ku e pe!"
Sëlargu Zoti ia pasqyron,
Dhe e shikon.

Këtej ka dimrin, andej pranverën,
Kërkon Parajsën, vdes në Skëtërrën;
Ajme, sa vrer, sa keq e sa zor,
Liberator!

CHURCH EXPANSION MOVING AHEAD

It has been quiet for the last couple months while we explored some great ideas from one of our parishioners to preserve the present look of the Church and build on the back of the Church over or under the parking lot. Well, build we will, and it will be under the parking lot and plans have been finalized.

In taking in consideration the limitations of our plot, permitting issues with neighbors and cost to heat and cool the space, we have decided to build the extra space for the classrooms and storage directly in back of the Fellowship Hall. This means we will build directly under our parking lot and then reinstate the parking lot as it is presently. This approach will give us about forty percent more space than our previous plans. It has several other advantages, it will increase the size of our Fellowship Hall, the Ladies restroom won't be downsized, will keep the classrooms close to where the parents are and everything being on one level makes it easier all around. Of course elevator and all other things will be included as in the original plans.

The upstairs expansion in the Church for adding the balcony over the entrance is as previously planned and we still hope to do all the other improvements, a/c, kitchen, men's bathroom and other sprucing up to bring St Nicholas Church up to date to serve our present and future needs.

We will be submitting our drawings for approval in late June and hopefully we can start construction by August 1. This means completion later this year.

We are also making a new release in the greater metropolitan area to the Albanian Community and our friends to ask them to help us in this Church Expansion project to better serve all.

Bible to them (if you wish to follow along, I am reading from The Children's Study Bible [see me to see a copy or Tina Peters on how to order]). On every other Sunday, (June 15th), I am also meeting with two families who are interested in baptisms to discuss some basics of Christianity every Christian ought to know. Anyone who wishes may join. Finally, I will be using this Summer Schedule time to do visitations. Mary Pillary, Georgina Ligor, Dr. Sheti, Ellen Gradt and Rosalie Zacharias are first on my list. The House Blessings, Paschal weeks, new ministries at St. Nicholas, and added responsibilities at my other job (unfortunately, the cost of living continues to rise) have kept me from this important task, and I ask for your patience as I fulfill this. Because of the late time of Pascha and the other events mentioned above, we will not be having an adult study in the normal "Post-Pascha/Pre-Summer" period. Persons interested in Study may attend the Basics class I offer every other week after Liturgy, or simply reach out to me via phone or email.
