## Pastor's Message

by Fr. Nathan Preston

We want to be good. We really do, I believe. Thinking back over the many different people I have known: some harsh, others gentle, some whom I would not want to meet again and others with whom every interaction is a pleasure, recalling all or as many as I am able, I cannot find a one of them who gave voice to a desire to be evil, to do bad. And I have known some rough and violent, broken and destructive individuals. Yet without variation, they—and we—want and hope to be good. What, then, gets in the way, since all of us are wishing for a better world?

Often there are the simple mix ups, confusions of an elementary sort that cloud our choices. At other times, though, there are more sincere mistakes. In this life, choices must be made, and rare are those decisions that do not somehow, in doing good to some, do harm to others. Yet we must act and live, and we do, trying, despite our oversights, to do good, trying to be good. And this is the saddest part, that we harm blindly, that we hurt so unintentionally. I began to learn this lesson as a child. I am still beginning at this, and it still surprises me when I often perceive that my idea of good is by no

## President's Message

By Jim Liolin

At the last meeting of the Council in early July there were some recommendations presented and passed on administrative matters of the Church. These were a result of the recommendations made by the financial committee – a temporary committee set up to review the finances of the church.

### Approved Recommendations:

- The office of Comptroller was reinstated after many years of inactivity. This is the fifth officer position on the Council. Bill Peters was elected Comptroller.

Responsibilities are:

- A. Chair the Investment Committee (see below)
- B. Work with Treasurer and President on Annual Budget
- C. Oversee Power Church Administrative Module updates/implementation
- D. Assist Treasurer to implement Power Church Modules
- E. Authorized to sign checks
- F. Assume other duties requested by the President

- Investment Committee is reinstated also after several years. The Committee's function is to regularly monitor the Church's investment portfolio. They will report to the Council and suggest recommendations as necessary to make certain the finances remain stable. This Investment Committee will consist of the Comptroller and two non-council members, Nick Filis and Phil Foundos. The President

means universal, but I remember my first apprehension of this, that first inkling of notice.

It was summer, and my parents had gone away for a week or so on a business trip, my dad's obligatory meetings expanded by a day or two into one of those very rare opportunities for him and my mother to be alone together. Though I was probably old enough to be left under my own care, eleven or twelve, there was little faith that I would not wreak

and Treasurer will be ad hoc members.

- Building Loan recommendation by the financial committee, after investigating other loan options, is that we should remain with the current loan. Switching to a new loan will not be an advantage. The loan will continue to be paid by donations, special fund raising events (CAR Raffle, Golf Outing, etc.), and portfolio money. This loan will be paid off by May, 2015.

- The Council approved the rebuilding of the website to make it more user-friendly.

The Council is working on plans for September as we have a heavy month of activities. Our Sunday School is planning for another year so bring your children—they are our inspiration. Do your best to give them the opportunity to know their faith.

The Archdiocese Assembly is being hosted by our Church, September 26-28. Please make an effort to attend as an observer at the Friday meeting or the dinner, or the Liturgy on Saturday morning of that weekend. More information will follow.

Plans are ongoing for the CAR RAFFLE and GOLF outing, both very important. We need everyone to participate by encouraging others to support these fund raising events. Any questions on how you can help, ask Tomi Beno on the Raffle and Phil Foundos on the Golf outing.

Enjoy your summer and be safe.

### Misteri i Trinitetit të Shenjtë

Ne besojmë në një Zot, i cili ekziston në tre qënje: Ati, Biri dhe Shpirti i Shenjtë. Ky fakt është në themel të besimit Orthodoks. Kur jemi të vegjël, e pranojmë këtë fakt me besim. Megjithatë, kur rritemi, koncepti “3 në 1” na duket konfuz dhe i pakuptueshëm.

Shën Sirili, Aposulli i famshëm sllav, u përpoq t’a spjegonte konceptin e Trinitetit të Shenjtë, në këtë mënyrë: “E shihni djellin në qiell dhe se si nga ai, merret drita dhe pastaj, nga kjo, ngrohësia fillon? Zoti At është si djelli, pa fillim apo mbarim. Nga Ai eksizton Zoti i Biri, si drita nga djelli. Ashtu sic merret ngrohësia bashkë me dritën nga djelli, ashtu lind dhe Shpirti i Shenjtë. Secili nga ata ka ndryshim. Nuk ka tre diej në qiell, por vetëm një. E njëjta ndodh me Trinitetin e Shenjtë: ka tre natyra në Zotin, por Zoti është një dhe i pandarë.

Kisha Orthodokse na mëson se të tre “natyrat” e Zotit, kanë të njëjtën rëndësi shenjtore. Vetëm se Zoti At nuk vjen nga askush tjetër. Zoti Bir vjen nga Zoti At dhe Fryma e Shenjte vjen nga Ati. Të Tre natyrat e Zotit qëndrojnë të lidhura me dashuri me njëra tjetrën dhe përbëjnë një Qënje. Akoma jeni konfuz? Ndoshta fjalët e Agustinit të Bekuar, Atit të madh të kishës së perëndimit, do të na ndihmojnë: “Do ta kuptoni Trinitetin në se do përdorni dashurinë. Është e vërtetë se mund t’a kthjellojmë misterin e Trinitetit po të përdorim zemrën në vend të mendjes.

## DAUGHTERS’ CORNER

by Linda Foundos

We hope you are all enjoying your summer and managing the intense heat. Somehow the summer seems to slip away with a little BBQ, a little beach, visiting with friends, a little get-away & some outdoor activities. It’s important to make some beautiful memories and enjoy your family & friends.

On Sunday, August 25<sup>th</sup>, we will have a Daughters’ meeting to make our plans for our role in our church hosting the Albanian Archdiocese meeting September 27<sup>th</sup> weekend. And a month later, we will have our annual Flea Market. The date is not quite yet firm. There is much more coming up after that too. Please try to join us for this meeting.

Wisdom:

Don’t mix bad words with your bad mood.

You’ll have many opportunities to change your mood, but you’ll never get the opportunity to replace the words you spoke.

### A SPECIAL MESSAGE FROM FR. NATHAN “Paraclesis Services”

Take just a moment and have a look at the schedule for the month of August. You’ll find this on the back page of the Post. Did you look?

Now, you may be wondering to yourself: why so many services this month? The answer is that, in addition to the regular weekly offerings of Saturday evening and Sunday morning, in addition to the special remembrances of feasts and saints, there are a number of what are called “Paraclesis” services. These are short (30–40 minutes) times for us to gather and sing praises and prayers to the Mother of God.

Though this series of hymns and intercessions may be offered at any time and is especially offered at times of need and worry, traditionally, this service is performed each of the fourteen days of the Dormition Fast (August 1–14). By custom, this is a special opportunity for us to offer particular prayers for those who are still living. As Fr. Nathan requests names of the departed before Memorial Saturdays, so now you are invited to submit lists of names of those who are still living for remembrance in each of the Paraclesis services. Remember, though, that simply putting pen to paper or, in more modern fashion, finger to keyboard is not really ideal. Make an effort to be present for at least one of these services. In praying for your loved ones, you will not go away unblessed.

# St. Nicholas Golf Outing

## **COME AND PLAY – MONDAY, OCTOBER 7<sup>TH</sup> !!!!** *16th ANNUAL ST. NICHOLAS GOLF OUTING*

Remember last year's Golf Outing? For those of you who participated last year and had a great time, and also those of you who did not and missed a great outing, we would be pleased to have you join us on Monday, October 7, 2013 when we will be holding our 16th Annual St. Nicholas Golf Outing at the Town of Oyster Bay Golf Course. This is an exceptional golf course with challenging holes and beautiful views.

We start with registration in the morning and tee-off at noon striking that little magic white ball hoping it goes where we wish, but frequently in another direction. As we move along in good company, we have hamburgers at the pit stop and continue wishing to hit the Hole-in-One and win \$10,000. After a beautiful round of golf, we proceed to the 19th Hole at the Woodlands Restaurant in the Clubhouse; followed by a great dinner, prizes/awards and the grand raffle. The results of all this is a great day and evening and a great fundraiser for our Church.

Support us in making this event a success!!! Help us when we reach out for your participation and/or signing up your friends and relatives to join us at this year's event. The cost to golf, lunch and dinner is \$650.00 for a foursome or \$175.00 per person. We also want to encourage you to solicit sponsors for hole sponsorships for \$250.00, and/or prize/merchandise sponsorships for \$100-\$300 for the raffle, which helps raise funds for our church programs.

We do hope that you will participate and invite your friends to join us. Registration/sponsorship forms are available in the office or from any committee member. Please make an effort to help and respond early so we can plan to accommodate everyone.

Should you have any questions or want help, do not hesitate to contact any one of the people listed below, or call 516-520-5227 and ask for Lou or Al Foundos.

## ORTHODOX NATURAL CHURCH DEVELOPMENT

The Orthodox Natural Church Development Committee has held three focus groups thru July. We would like to thank Jim and Donna Oswald, Iliia and Agathia Luka and Robert and Tina Korra for opening their homes for the focus groups and making us feel very welcome. Their hospitality was outstanding and the discussions were lively and very informative for the committee as well as the participants. Many ideas were brought forth and after all the focus groups are completed, we will review them and, hopefully, put some of them into action.

The summer is a difficult time for everyone to get together because of vacations, family events, etc. We will be resuming most of the focus groups in September. There is a focus group planned for the Ridgewood area. The date will be announced as soon as it is confirmed. The teen focus group will also be held during the summer and a date will be confirmed shortly.

The other focus groups planned for the fall are as follows:

- ❖ Young Adults (ages 20–35)
- ❖ Phil and Jana Foundos
- ❖ Bronx
- ❖ St. Nicholas

This is a great opportunity for all of us to have our voices heard as we work collectively to bring St. Nicholas to the next level.

**Together we can make a difference!!!**

If you have any questions please feel free to speak with:

### PASTOR'S MESSAGE - Continued from Page 1

some disaster in this short absence of supervision. In short, my parents wanted to come back home to a house still standing and their children all also still standing and whole, and I could be trusted with none of this, so some family friends stayed with us for a while. He was a Baptist minister, born and bred in the South, a missionary of this faith, I believe, to North Idaho. Though I am confident that the area did not then, nor probably ever has lacked Baptists, Southern Baptists were, I gather, in short supply. He was a jolly man, despite his denomination's dour reputation.

One afternoon, as I accompanied him in running errands, we stopped into a gas station. I waited in the car after we refueled as he went in to pay and was surprised when he brought back a treat—pistachios and a Doctor Pepper, if I recall correctly. Feeling very mature, I began to insist that I should repay him for this snack. He declined; I insisted. He declined, but I continued to press. This, after all, was how every restaurant meal shared between my parents and other adults concluded: always the pleasant yet slightly awkward fight to take the check and pay the bill, to be the host and not the hosted. Such debates were, I thought, a mark of the maturity to which I aspired, so I persisted in attempting to pay. Still refusing, he started the car, and told me a story from his early days as a minister when he had been young, when he had been poor. Stopping to refuel his car then, he was taken aback when an old woman had paid for his gas. He, too, had argued that this should not be so and had begun, like me, to be insistent. Yet this was soon cut short. "Don't rob me of an opportunity to be God's blessing to you," replied this stranger. How could a man of God contest against such words? With thanks and humility, he accepted this gift and drove away. I, though not the quickest child, also understood the point of the story and left off my attempts at maturity and repayment. The rest of our drive home was spent with me trying to learn how to spit pistachio shells out the window and not into my lap, a skill I have not yet entirely mastered.

"None is good but God alone." These are Christ's words from the Gospel of Mark and of Luke to one who came to Him. They are intended not as a discouragement, that we should not seek after good, but as an invitation, a radical revision of what it means to be good. Our choices, when they are based on our principles, cannot help but be flawed, for we are flawed and broken people every one of us. But we can be and know good by drawing near to God, and we can share this by making decisions that have as their aim to permit others also to draw near to God, to be God's blessing to them and to receive freely others as His blessing to us.

## THE DORMITION OF OUR MOST HOLY LADY THE MOTHER OF GOD AND THE EVER-VIRGIN MARY, THE THEOTOKOS –

Commemorated on Aug 15th

The circumstances of the Dormition of the Mother of God were known in the Orthodox Church from apostolic times. At the time of Her blessed Falling Asleep, the Most Holy Virgin Mary was again at Jerusalem. Her fame as the Mother of God had already spread throughout the land and had aroused many of the envious and the spiteful against Her. They wanted to make attempts on Her life; but God preserved Her from enemies. Day and night She spent her time in prayer. The Most Holy Theotokos went often to the Holy Sepulchre of the Lord, and here She offered up fervent prayer. More than once, enemies of the Savior sought to hinder Her from visiting her holy place, and they asked the High Priest for a guard to watch over the Grave of the Lord. The Holy Virgin continued to pray right in front of them, yet unseen by anyone.

In one visit to Golgotha, the Archangel Gabriel appeared to Her and announced Her approaching departure from this life to eternal life. In pledge of this, the Archangel gave Her a palm branch. With these heavenly tidings the Mother of God returned to Bethlehem with the three girls attending Her. She summoned Righteous Joseph of Arimathea and other disciples of the Lord, and told them of Her impending Repose.

The Most Holy Virgin prayed also that the Lord would have the Apostle John come to Her. The Holy Spirit transported him from Ephesus, setting him in that very place where the Mother of God lay. After the prayer, the Most Holy Virgin offered incense, and John heard a voice from Heaven, closing Her prayer with the word "Amen." The Mother of God took it that the voice meant the speedy arrival of the Apostles and the Disciples and the holy Bodiless Powers. The faithful, whose number by then was impossible to count, gathered together, says St John of Damascus, like clouds and eagles, to listen to the Mother of God. Seeing one another, the Disciples rejoiced, but in their confusion they asked each other why the Lord had gathered them together in one place. St John the Theologian, greeting them with tears of joy, said that the time of the Virgin's repose was at hand. Going in to the Mother of God, they beheld Her lying upon the bed, and filled with spiritual joy. The Disciples greeted Her, and then they told her how they had been carried miraculously from their places of preaching. The Most Holy Virgin Mary glorified God, because He had heard Her prayer and fulfilled Her heart's desire, and She began speaking about Her imminent end. The Holy Spirit had gathered them all together so that they might be granted the blessing of the All-Pure Virgin Mary, and more fittingly to see to the burial of the Mother of the Lord. She called each of them to Herself by name, She blessed them and extolled them for their faith and the hardships they endured in preaching the Gospel of Christ. To each She wished eternal bliss, and prayed with them for the peace and welfare of the whole world.
